To whom it may concern:

It is with pleasure that I can recommend Chris Cyca as an excellent realtor for your real estate dealings. I'm glad that we listened to you when it came time to decide on the final listing price. You marketed our house through all available Medias, including websites, open houses, etc. You were very professional in your dealings and above all you showed integrity. Once the deal was signed you followed up in all the details and it is a pleasure dealing with a professional realtor such as yourself. Thank you.
